Prevention: Substance abuse prevention and intervention services for residents of Carroll County. Prevention and intervention services are provided across the life span to individuals including students of all ages including college, parents, faith community, recovery community, business environment, veterans and senior citizens. Targeted education to prevent onset of substance use, reduce stigma around behavioral health issues, decrease suicide and trauma. Will provide educational presentations as needed in the community.

Recovery Support Services – Certified Peer Recovery Support Specialists are available to anyone with a behavioral health issue. Non-clinical care coordination is provided by a trained specialist to reduce barriers to services and to promote recovery from mental health and substance related disorders. Peer Support Specialist offer assistance with entitlements, outreach to providers for treatment or housing linkages, and supporting individuals with recovery needs. They advocate for individuals needs as they relate to treatment or recovery.

Collaboration for Homeless Enhancement Services (CHES) - CHES provides wrap around services based on an Assertive Community Treatment (ACT) model for persons with mental illness and/or substance use disorders and veterans who are experiencing homelessness.

Wrap around services are intensive and person centered. These services are intended to provide help to an individual to stabilize, reduce crises in their lives and attain self-sufficiency and success by providing intensive peer support, Critical Time Intervention Case Management, transportation to appointments and Housing Services.

Home & Community Based Services Programs

Community Options (CO) Waiver

The Community Options waiver (CO) serves individuals who are medically, technically and financially eligible for Medicaid waiver services who have been transitioned or diverted from a nursing facility. Eligible individuals must be age 18 years or over, require a nursing facility level of care, choose to receive services in the community, and have a cost neutral plan of services that supports the individual to safely live in the community. The Community Options Waiver offers:

Assisted Living, Medical Day Care, Nutritionist/Dietician, Home delivered Meals, Personal Emergency Response Systems, Environmental Assessments, Assistive Technology, Nurse Monitoring, Personal Care, Supports Planning/Case Management, Transition Services (for example, assisting an individual to leave an institutional setting and return to the community) and additional services.

Community First Choice

The Affordable Care Act created a program called Community First Choice (CFC), which provides states the option to offer certain community-based services as a state plan benefit to individuals who meet an institutional level of care. There is no wait list for services through the CFC program. Services are provided in the individual's home or community residence by agency employed providers. The program does not have age, cost neutrality or enrollment limitations CFC offers: Personal Assistance Services, Supports Planning/Case Management, Nurse Monitoring, Home delivered Meals, Assistive Technology, Accessibility Adaptations, Environmental Assessments, Personal Emergency Response Systems (PERS) and additional services.

Money Follows the Person (MFP)

Money Follows the Person (MFP) in Maryland will help people transition from an institution, for example a nursing facility, to community living in an apartment, private home, or small group setting. MFP initiatives increase outreach to individuals in institutions and decrease barriers to transition. New efforts under MFP include peer mentoring, enhanced transition assistance, improved information technology,

housing assistance, flexible transition funds, and the addition of waiver services to existing waivers.

State Health Insurance Assistance Program (SHIP)

Trained health insurance counselors are available on an appointment basis to help seniors, age 60 and older, with questions and problems regarding:

- * Medicare
- * Medigap
- * Health Maintenance Organizations (HMO's)
- * Long Term Care
- * Qualified Medicare Beneficiary
- * Pharmacy Assistance.

Home visits are available when needed for the homebound.

Carroll Health Group

Carrollhealthgroup.com

Carroll Health Group, Carroll Hospital's multi-specialty network of physicians, is designed to serve your every health care need.
