There is no wait list for services through the CFC program. Services are provided in the individual's home or community residence by agency employed providers. The program does not have age, cost neutrality or enrollment limitations CFC offers: Personal Assistance Services, Supports Planning/Case Management, Nurse Monitoring, Home delivered Meals, Assistive Technology, Accessibility Adaptations, Environmental Assessments, Personal Emergency Response Systems (PERS) and additional services.

Money Follows the Person (MFP)

Money Follows the Person (MFP) in Maryland will help people transition from an institution, for example a nursing facility, to community living in an apartment, private home, or small group setting. MFP initiatives increase outreach to individuals in institutions and decrease barriers to transition. New efforts under MFP include peer mentoring, enhanced transition assistance, improved information technology, housing assistance, flexible transition funds, and the addition of waiver services to existing waivers.
